

# Connecting to Columbiana County: Educator Summer Camp 2019

## *Their Business is Our Business*

Join us for a weeklong adventure in exploring local businesses in Columbiana County.

**July 22-26, 2019**  
**9:00-3:00 each day**

Sponsored by the Columbiana County ESC

The Columbiana County ESC has partnered with businesses to provide a week long professional development series where we will visit several different businesses that are hiring and promoting the economy in Columbiana County. You will have a chance to tour and visit local businesses to find out how they are responding to the needs of our families and communities and how they can support you in your classroom lessons and standards.

Participants may attend any day(s). Contact hours (five per day) or two hours of Ashland graduate credit will be offered. You will need to specify which you prefer when you register.

**Please note: Many of our places require a dress code. Please read the requirements for each day and come dressed appropriately. You may not be able to participate in some of the tours for safety reasons if you do not abide by their rules.**
