

nonviolent crisis intervention™

Dear Certified Instructor,

As the number of people with autism spectrum disorder (ASD) continues to rise, it's time to take a truly person-centered approach to caring for and responding to these individuals. With your commitment to *Nonviolent Crisis Intervention*® training, you've already established a foundation of *Care, Welfare, Safety, and Security*™ at your organization—but if you work with individuals on the autism spectrum, this specialized renewal can help you better support them.

Columbiana County Educational Service Center is hosting CPI's **NCI™ Specialized Renewal: Autism Spectrum Disorder (Blended)**:

December 3-4, 2019
8:00 a.m. to 4:00 p.m.
Columbiana County ESC
38720 Saltwell Rd
Lisbon, OH 44432

The **NCI™ Specialized Renewal: Autism Spectrum Disorder (Blended)** is a blended training program featuring online prework components and two days of in-person classroom training. This program teaches Certified Instructors how to customize and adapt *Nonviolent Crisis Intervention*® training for staff working with individuals on the autism spectrum.

The classroom session includes experiential, hands-on participation as you discuss and share your perspective with fellow Certified Instructors. After finishing this renewal option, the skills and knowledge you gain can be immediately integrated with the *Nonviolent Crisis Intervention*® training you conduct with your staff.

Although Columbiana County ESC is hosting this program, it is open to any Certified Instructor who has completed an Instructor Certification or Renewal course since July 19, 2015. Space is limited, so please register today if you would like to attend.

If you have any questions about this program or if you would like to reserve your space, please contact me. I encourage you to take advantage of this special training opportunity.

Sincerely,
