

Columbiana County Youth Survey: Exploring 40 Developmental Assets

A Discussion about Youth Attitudes & Behaviors

In November 2018, Columbiana County students participated in a survey that measures protective factors (assets) and risk behaviors. More than 2,300 students in 10 school districts completed the survey.

Join us to review the survey findings!

When: Tuesday, April 9th
9:00 AM-11:30 AM
Breakfast begins at 8:30 AM

Where: Department of Job and Family Services
Community Room (2nd Floor)
7989 Dickey Drive, Lisbon

What: A review of the Youth Survey findings and how our community is working to address the risks identified by students.

Topics include:

- ❖ Improving Community Health
- ❖ Preventing Substance Abuse
- ❖ Reaching Out to Those at Risk
- ❖ How Everyone Can Build Assets

To register: visit the Columbiana County ESC website:
