The Franklin B. Walter Scholarship was established by the Ohio Superintendent's Educational Service Center Association to promote student achievement and recognize outstanding students.

This Scholarship award is named in honor of Franklin B. Walter who served as State Superintendent of Education for Ohio from March, 1977 until August, 1991.

Throughout his career, Dr. Walter has exemplified concern for young people and has dedicated his life to the improvement of education in Ohio.

Each year a senior from each county within the State of Ohio is selected to receive this award.

Branson and his parents were invited to a special recognition lunch in Columbus on April 18<sup>th</sup> provided by the Ohio Educational Service Center Association.

He and the other recipients were recognized for their outstanding academic achievement.
