

Join us for a hands-on day of learning, practicing and creating core word strategies that will support your early communicators beginning Day 1 in your classroom! If you have students who are not yet talking, are just beginning to communicate or are extremely difficult to understand, this workshop is for YOU!

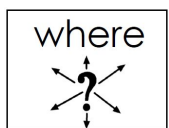

Every child deserves to have a voice - let's give each one a set of core words to express themselves and build language. You will leave with several low tech classroom tools (a classroom core word poster, customized student boards, and adult modeling and descriptive teaching kits) that supplement individual high tech systems.

Teachers, assistants, paraprofessionals, SLPs

Thursday, August 15, 9:00-3:00 (registration beginning 8:45)

Columbiana County ESC Board Room
